- a. lend                      b. transplant                      c. donate                      d. transmit

**3. Read the following passage, then answer the questions:**

It was just before bedtime. Sally was reading a hair-raising ghost story. She loved the excitement of scaring herself before a good night's sleep. She was reading the story halfway when she suddenly heard the squeaky opening of her front door. She was surprised by the scary sound. She felt something was wrong. Sally gently pushed the warm blanket aside and slowly crept out of her bed. She walked down the stairs. Even her very own footsteps on the creaky stairs scared her. She heard the soft sound of footsteps in the kitchen and she stopped to listen. It was surely a ghost from the past since everyone she knew was in their beds fast asleep at this hour. The darkness also frightened her, but she wanted to find out what was making the strange noise. She turned to enter the kitchen where the noise seemed to be coming. Suddenly, she walked right into a dark figure. The dark figure stretched out a hand and quickly turned on the bright kitchen lights. It was Sally's elder brother Ken! He couldn't help laughing at poor Sally. He had gone out late that night with his friends and had just returned home. Sally felt silly to have thought it was a ghost. She had a good laugh too.

**Choose the correct answer from a, b, c or d:**

17. The strange sound, the creaky stairs, the darkness and the dark figure ..... Sally.

- a. screamed                      b. scared                      c. cared                      d. cracked
